**IAN EMMERSON**

**Press quotes**

“Ian’s lusciously thick and choppy guitar parts add both a solid rhythm and a chunky footing for Phil’s picking whether it be on the banjo or ukulele. Packing more gravel than you’ll find at the bottom of a fish tank into his powerful blues voice, it really is a great pleasure to see the UK’s ukulele maestro back with his musical sparring partner and in fine form with it”!

“Phil and Ian have regressed to the glory days, stomping out 1920s anthems like Blind Blake’s ‘Police Dog Blues’ and Tampa Red’s ‘Can’t Get Enough Of That Stuff’, as if fuelled by slugs of corn liquor.
